Holiday Party

SATURDAY, DECEMBER 5, 2020  **7:00 PM**

We're hosting a small holiday party in our home and would love for you to join us for cookies, hot chocolate and an evening of hope, generosity and holiday spirit.

All across the country parties just like ours will be taking place at the same time. We'll join our hearts together as we watch a short, 45 minute virtual program produced by The Joe Beretta Foundation and hosted by Santa Claus, himself.

TJBF exists to meet the practical needs of advanced heart failure patients and their families. We know that when friends and family rally around a meaningful cause together, miracles can happen. Claim your spot on the Nice List and don't miss out on this unique evening!
